

Childcare Services

Pathways LA

Offering subsidized child care for low-income families. They are one of ten partnered agencies under the Child Care Alliance of Los Angeles County. Parents eligible to receive services are able to choose a child care provider of their choice, which Pathways LA would then be responsible to process payment for. Affected parents are encouraged to seek child care assistance rather than allowing children to remain home alone and unsupervised

Apply online through their website at www.pathwaysla.org or by phone at 213-427-2710

Children's Home Society of California

Provides childcare reimbursement for essential workers.

More Information and Eligibility Questionnaire: <https://www.chs-ca.org/child-care-payment-program/eligibility-list-questionnaire>

Pacific Gateways/CalFLEXI

Through Long Beach's partnership with Pacific Gateways, residents can have access to in-home child care. This program connects childcare workers with families who need in-home child care.
